Re: Status of Request to Inspect and Close, Limer Project, S/037/086, San Juan County, Utah

Dear Mr. Shumway:

The Division received your request to inspect and close the Limer exploration project, located in Section 16, T30S, R25E, SLBM, San Juan County, Utah. We have been in contact with School and Institutional Trust Lands Administration (SITLA), who is the owner of the surface and minerals within the area of your project. To date, SITLA has not closed your file and your mineral lease is still active; therefore, the Division is unable to grant your request to close this permit at this time.

As stated in the Division letter acknowledging your request to inspect and release this permit, your 1999 fee is now due and payable within 30 days. Another billing statement is enclosed.

Thank you for your continued cooperation. If you have any questions or concerns, please contact me at (801) 538-5382..

Sincerely,

A handwritten signature in cursive script that reads "Doug Jensen".
